OFFICE OF LEGISLATIVE COUNSEL

Thursday - 30 October 1975

1. (Internal Use Only - RJK) LIAISON Met with Tom Smeeton, on the staff of the House International Relations Committee, and advised him, in connection with his inquiry on behalf of the staff of the Subcommittee on Future Foreign Policy Research and Development, that if appropriate ground rules could be agreed upon the Agency would be able to provide someone to testify on the Soviet/Chinese Communist/ U. S. power triangle. The major ground rule would be an executive session with no attribution. Smeeton said he would check with the Subcommittee staff and be back in contact with us. I spoke with Marian Czarnécki, Chief of Staff of the Committee, to advise him of this inquiry and he said he would let the Chairman know about it.

In a separate matter, I passed on to Smeeton classified and unclassified biographic information on 

 about whom Smeeton had inquired.

2. (Unclassified - RJK) ADMINISTRATIVE - DELIVERIES
Delivered information relating to Senator Edward M. Kennedy's (D., Mass.) recent correspondence with the Agency to Frank Slatinshek, Chief Counsel, House Armed Services Committee, and Ralph Preston, on the staff of the Subcommittee on Defense, House Appropriations Committee.

3. (Unclassified - RJK) LIAISON Received a call from June Clendening, Administrative Assistant to Representative Thomas L. Ashley (D., Ohio). She said a little girl who had pen pals in France, Germany and Japan had not been receiving letters from them recently and wondered if the Agency had anything to do with it. Ms. Clendening and I chatted for a moment and arrived at an appropriate response to the constituent. No further action is necessary.
